OUR PEOPLE

Board of Directors

Theophilus Musa – Director

Theophilus Musa has over 13 years experience in the financial services industry. He started his career in Access Bank Plc, after graduating from the prestigious Access Bank school of banking excellence, executive entry-level training program for Bankers. He spent 4 years as a relationship manager in both Access Bank and Bank PHB (now Keystone Bank), honing his skill set in the commercial and retail banking arms of the banking business, where he gained useful experience in deposit mobilization and loan creation / management as well as risk management. He then spent the last 8-9 years with Capitalfield Investment Group Limited as a senior management executive in trade finance. His job covered management of the bureau de change business, trade finance, risk asset creation and relationship management.

He is an MBA holder of the Netherlands Business School and a graduate of Industrial Mathematics from the University of Benin. He has attended several local and international trainings / seminars in international trade, conflict management and alternative resolution mechanisms, as well as courses in anti-money laundering, card payments and central clearing.

He would be responsible for charting the strategic direction of Bralewood as well as systems and structures to ensure the successful implementation of organizational strategy.

Etukudo, Anyanime Bassey - Director

Mr. Etukudo is a Director of Bralewood and would function to provide oversight role to the CEO and management particularly charting the strategic direction of Bralewood and put in place systems and structures to ensure the successful implementation of organizational strategy.

He is an oil and gas professional with almost a decade experience in the oil and gas downstream and servicing. He has extensive experience in trading, marketing and sales of refined petroleum products including liquified petroleum gas (“LPG”). His technical know-how would be invaluable as Bralewood diversifies into the oil and gas space.

Mr. Etukudo is a Geologist by training and graduated from the University of Port Harcourt with second class upper division. He has several certifications and is a member of various local and international bodies including:

- Nigerian Mining and Geologic Society (NMGS)
- Timbern Safety Technical Enterprises Fire prevention and Firefighting Techniques.
- Falck Prime Atlantic BA(Breathing Apparatus) Awareness Training (On board)
- American Heart Association Heart Saver First Aid CPR AED Training.
